

ISAW'S FOURTH AWARDS CEREMONY

1st Annual Alumni Conference

INTERNATIONAL
Spirit
AT WORK
AWARD

Join us to celebrate the past, the present
And build towards the future!

Plan now to attend the 4th ISAW Awards Ceremony! With the active participation of our growing membership, we have expanded the dialogue on spirituality in the Workplace through hosting our 1st Annual Conference dedicated exclusively to the awards. The event will be held October 21– 22, 2005 at the Princeton Club in New York.

We are proud to provide an unrivalled forum for you to:

- Learn practical tips from inspired practices of the leading organizations in the 'Spirituality In The Workplace' movement
- Debate, shape, alter and challenge ideas that can transform the future of consciousness in the business world
- Network with leading experts, peers, the 2005 Honorees and past award recipients.

The program will consist of plenary keynote presentations, interactive workshops as well as short presentations by 2005 honorees and Alumni. New York, the site of this year's conference offers an exciting cultural and global back ground for our event, drawing together business leaders and professionals from all corners of the globe.
